

**Stanislaus Partners In Education (SPIE)  
Educator Internship Program  
Principal's Confirmation**

**Program Expectations**

Interns will:

- ✓ learn up-to-date job competencies and requirements from local employers.
- ✓ enhance their ability to relate the world of work to students.
- ✓ self-assess their technical skills in relation to current or future teaching assignments.
- ✓ develop greater collaboration between educators and business/industry.
- ✓ work 40 hours in business/industry.
- ✓ complete a Common Core lesson plan based on their experiences. This lesson plan will be placed on the SPIE website for all teachers to access.
- ✓ complete a summary of their experience.
- ✓ participate in an exit review and celebration with the SPIE Board and community members.
- ✓ receive \$750.00 upon successful completion of the program.
